A Common Cold.

We claim that if catching cold could be avoided some of the most dangerous and fatal diseases would never be heard of. A cold often forms a culture bed for germs of infectious diseases. Consumption, pneumonia, diphtheria and scarlet fever, four of the most dangerous and fatal diseases, are of this class. The culture bed formed by the cold favors the development of the germs of these diseases, that would not otherwise find lodgment. There is little danger, however, of any of these diseases being contracted when a good expectorant cough medicine like Chamberlain's Cough Remedy is used. It cleans out these culture beds that favor the development of the germs of these diseases. That is why this remedy has proved so universally successful in preventing pneumonia. It not only cures your cold quickly, but minimizes the risk of contracting these dangerous diseases. For sale by Bratton Drug Co.

WELCOME KING EDWARD

Arrangements Nearing Completion at Berlin For Reception of King and Queen of England.

Berlin, Feb. 8.—Elaborate arrangements are being rapidly carried out for the welcome here of King Edward. They are on a scale of truly royal splendor. The fetes will follow the style of those held at the time of the visit to Berlin of King Alfonso of Spain, and will include a number of events affording opportunities for brilliant spectacular effects. The program of festivities will include a grand gala performance at the opera house, and probably another gala performance at the royal playhouse. Though there probably will be no great review of troops, a large military force will be assembled to add to the pageantry of the royal visit. Government architects have completed a plan for the decoration of the streets by day and for illumination by night. King Edward and Queen Alexandra will make the traditional formal state entry into the capital, entering the inner city through the Brandenburg gate. The route to the imperial palace in the center of Berlin will be by way of the Konigsplatz strasse and Unter den Linden, which thoroughfares will be gallantly decorated with flags and triumphal arches.

SICK HEADACHE.

Sour Stomach, Heartburn, Canker Sore Mouth, Cured By Mi-o-na.

Sick headaches are caused by indigestion and a general disturbed condition of the stomach.

Cure the indigestion, and the headache, nausea, heartburn, sour stomach, and that "all in" feeling will vanish.

Mi-o-na tablets will cure indigestion or any other stomach trouble. They will relieve almost instantly. Bratton Drug Co. have so much faith in them that they will give you your money back if they don't.

Mi-o-na cures by making the stomach strong enough to produce enough gastric juices to digest all the food you want to eat. It promptly puts new life and energy into the overworked and played-out walls of the stomach.

Use Mi-o-na for a week, and you can eat what you want any time you want it, and take pleasure in doing it. Your blood will be richer, redder, purer, after taking Mi-o-na, and it only costs 50 cents a large box.

"I was speedily cured of stomach complaint by Mi-o-na. Anything I can say in favor of Mi-o-na is not too strong."—William Hess, Benton Harbor, Mich.

The only cure for piles is internal, and the only guaranteed internal remedy is Dr. Leonhardt's Hem-Roid. It has cured 98 per cent of cases, and 24 days' treatment is sold for \$1 at Bratton Drug Co., under positive guarantee. Or mailed by Dr. Leonhardt Co., Station B, Buffalo, N. Y. Write for booklet.
